

# Pochana Ram Kumar Reddy

Current Designation	Associate
Role	Java Full Stack Developer
Contact number	(+91)7093964214
Email address	918545@cognizant.com

## CAREER OBJECTIVE

Seeking an opportunity that helps me to make use of my programming and interpersonal skills to perform best in an organization and improve myself with the experience.

## PROFILE

- Strong in Java core, Java8, Data Structures and Spring framework.
- Had strong knowledge and practice in Spring Boot and integrations which were part of Spring Boot framework.
- Developed two web applications from scratch using Angular and React.
- Had a good practice in styling the components using CSS.
- Proficient in writing Junit test cases.

## EXPERIENCE

### Software Engineer at Cognizant (Aug 2021 – Till Now)

- **Role:** Java Full Stack Developer
- **Tools:** Eclipse, Postman, D Beaver, Visual Studio Code
- **Technologies:** Java8, Angular, React, Spring Boot, Hibernate, PostgreSQL, Git, Maven, Junit, Mockito, Angular Material, Material UI.
- **Description:** I have worked for Insurance and Life Sciences Project.
- **Responsibilities:**
  - Developed web application for Pension module using Angular and Angular material.
  - Created backend APIs with Spring Boot with already existing data which is in PostgreSQL database and integrated them into pension module.
  - Developed web application for generating and modifying campaigns using React JS, Material UI, React Redux.
  - Created backend APIs with Spring Boot for generating campaigns, previewing and for publishing campaigns with data from snowflake and integrated with frontend code.
  - Written unit test cases for the backend code using Junit and Mockito.

### Intern in Full Stack Engineering at Cognizant (March 2021 – August 2021)

- **Role:** Full Stack Engineer
- **Tools:** Eclipse, Postman, MySQL Workbench, Visual Studio Code
- **Technologies:** Java8, Spring Core, Spring Boot, Spring MVC, Hibernate, Maven, Junit, Mockito, Git, HTML, CSS, JavaScript, TypeScript, Angular, Microservices.
- **Responsibilities:**
  - Developed a Microservices project using spring boot, Spring Security and Spring Cloud. Developed frontend code using angular.

### Student Mentor at Smart Interviews (Sep 2020 – Dec 2020)

- **Role:** Student Mentor
- **Description:** Smart Interviews is a learning platform where students can enrol to various courses like Data Structures and Algorithms, System Design.

- **Responsibilities:**
  - Worked as mentor for Data Structures and Algorithms course.
  - Resolved student doubts during practice session which took place twice a week.
  - Monitoring student scores and assisting them if they are not progressing in learning.

## TECHNICALSKILLS

- Programming languages : Java, JavaScript, TypeScript, C++, C and Python
- Database : MySQL, PostgreSQL, and MongoDB
- Development Tools : Eclipse, Visual Studio Code, Postman, DBeaver
- Backend Technologies : Spring Boot, Spring Security, Spring Core, Spring Cloud
- Frontend Technologies : React JS, Angular, HTML, CSS, JavaScript

## ACHIEVEMENTS

- Qualified in **GATE CSE 2021 & 2022**.
- Secured **silver badge** in **Data Science for Engineers** course through an exam conducted by NPTEL.
- Got certified in **Java** through an examination conducted remotely by Spoken tutorial, **IIT Bombay**.
- Certified in **Digital Honors FSE-1** which is offered by Cognizant.

## ACADEMICS

Degree	School/ University	Year of Graduation	% Or GPA
B. Tech in Computer Science	G. Pulla Reddy Engineering College, Kurnool	2021	8.67
Intermediate	Sri Chaitanya Jr College, Kurnool	2017	98.3%
CBSE	Jawahar Navodaya Vidyalaya, Kadapa	2015	9.0

## DECLARATION

I Pochana Ram Kumar Reddy do hereby confirm that the information given above is true to the best of my knowledge.

**Date** : 15-11-2023
